

Olson Limited Equipment LLC. is a manufacture representative company located in Central Wisconsin serving the **WOOD, BIOMASS, AGGREGATE, FOOD & DAIRY, FEED & GRAIN, UTILITIES and RECYCLING** industries just to name a few.

Olson Limited Equipment LLC. Represents the top companies in these industries. We work closely with our principle manufacturers to provide our customers with cost effective solutions for their needs to get the job completed right the first time. The focus of Olson Limited Equipment is size reduction, size separation, mechanical and pneumatic conveying, and dust collection.

There is no job too big or too small - we provide single pieces of equipment all the way to **turnkey systems** (design, equipment, and installation of complete plants.)
